To

The Municipal Chairman  
Kottakkal Minicipality  
Malapuram District

Respected Sir,

**Sub: Educational & Nutrious food support for deserving children.**

Reach world wide is a charity wing of Heavenly Feast, a historic development program for children at risk by caring for their needs and has been serving humanity for the past eight years. In an endeavour who help the deprived children in education and health and give them motivation to become responsible citizens of India and achieve great goals in their life.

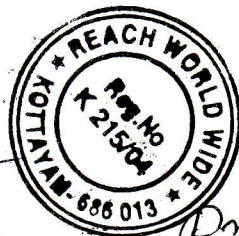

As of to-day, we are supporting about 1850 children through 35 centers across Kerala. However, we would like to extend help and support to more children.

In this regard your kindself may recommend children those who are deprived and downtrodden coming from very poor families and thier parents who are handicaped, orphans, semi orphans or of any deprived community. They should be of age group of LKG to 10<sup>th</sup> Standard.

Your valuable recommendation will be of great help.

Yours faithfully,

For An

(Mathew Kuruvilla)
